Subject: Proposed Change of Use - 17638 Highway 7

Please find attached a site plan for the proposed change of use at 17638 Highway 7. As indicated on the permit application the current use is Residential with a proposed use Educational/Residential.

I have also attached an aerial view of the property to approximate the location of the proposed tanks compared to the Highway corridor.

Mr. Robert Passmore is the authorized agent on file (robert@fieldstoneeng.com).

Please provide next steps to move forward with this file.

Regards,

Eric
